Three little adventures

Choose your colors and make these pages your own.
Inside: bubbles with Ellie, a kite with Pip,
and bowling with Hazel.

For grown-ups: print on Letter paper (8.5 × 11 inches).
Choose Actual Size / 100% and print on one side.
Use a spare sheet behind the page when using markers.

These are three sample scenes from our first book.
The full coloring book contains 40 scenes.
The separate online guide offers optional color ideas.

For personal and family use. Please share the website
rather than reposting the blank files.
